FOR IMMEDIATE RELEASE

My Activity Ride offers expanded free bus service in Nampa/Caldwell during holidays

CALDWELL – GoRide Community Link bus services will offer expanded free transportation services on its two My Activity Ride bus routes in Nampa and Caldwell during the school holiday break.

The My Activity Ride routes operate Monday through Friday. The routes provide service to various stops in both cities and the Caldwell YMCA. Both routes connect directly to several ValleyRide bus routes.

Currently, each bus makes one afternoon trip a day when school is in session (except on holidays). During the holiday school recess, each route will make three trips a day – mid-morning, noon, and late afternoon - on the following dates: December 21-24, 28-31 and January 4. Both routes will return to the one-trip-a day schedule on January 5, 2014. There are no age restrictions to ride the bus.

GoRide Community Link is a mobility project managed by Valley Regional Transit. The My Activity Ride service is the result of a partnership between Valley Regional Transit, Brown Bus Company in Nampa, Caldwell Transportation Company, and the Caldwell YMCA. Yellow school buses from Brown and Caldwell Transportation are being used to provide the service. Both Brown Bus and Caldwell Transportation also provide after-school bus service to the YMCA during the school year.

To learn more about the service, including downloadable bus schedules, visit rideline.org. You can also call RideLine customer service at 345-RIDE (7433).
